

July 15, 1953

Dr. Margaret Lieb
Division of Biology
California Institute of Technology
Pasadena 4, California

Dear Peggy:

I am afraid both of your suppositions were correct: we are not going to Bellagio, and will be away from Madison before August 1.

But why don't you visit Madison anyhow? There will be two or three people around the lab whom you might like to see, including probably Tom Nelson.

Sincerely,

Joshua Lederberg
